All the equipment used for the Canada Day events have been degreased, cleaned and returned to the seacan. Brian Osinga put together a work team to clean up the 13th line site and did a wonderful job as did Caroline and Frank Middlebrook who graciously offered and preformed a major cleanup of the field using large equipment from their landscaping business. Since Rick's last visit, the other gate post is down and he will replace or repair it.

Colony: Submitted by Joanne. Canada Day went really well this year and 40 frozen loaves of bread dough were used to make Beaver Tails. Wendy's helped out with donations of creamers, sugar and cups. Sales were great and they ran out of Beaver Tails and coffee. Wendy's has offered to help out with each section for upcoming events. They gave out a lot of free frosty coupons at Beaveree. The profit for Canada Day was \$301.00.

New Business:

Earle received a new sticker from Charter for the 2009-1010 season.

Earle has requested that each section provide a financial statement. Bank of Montreal offered Group a community account with no service charges therefore Groups account is with BOM.

Earle also needs dates that gyms will not be needed for each section for the school permits. Joanne suggested that the two Packs might look into using the Bradford Highschool gyms as they have the two on the same site.

Rick made a video presentation/ report on the Venturers Canoe trip. The trip went really well and T-shirts were made for the event. They saw lots of moose and saw a POW camp.

Earle is requesting someone from Group put the September 8 registration in the local paper.

Greg noted that September 13th is the first Scout meeting and Scuba night is the 19th. Rick was inquiring about Colony's leadership team and Joanne presented some change information.

Joanne made a motion to adjourn the meeting at 8:20pm. The next meeting is September 8th is registration night at the Lion's pool building.
