Pitman's Bay is surrounded by bush and all campers are asked to bring a whistle that must be worn at all times. All participants should be prepared to sleep in a tent.

We have lots of fun planned for all ages. This is a great opportunity for all the Scouting members and their families to get to know each other a little more.

Please note that dogs are not permitted at camp. Service dogs are welcome.

This year we will be preordering the t-shirts to ensure everyone gets one and hopefully to allow us to screen them ahead of time. Please advise your leader of the shirt sizes for everyone or indicate if you do not want a shirt.

Please bring your health card and don't forget to fill out the special medical concerns form.

Any non members who are planning to stay will also need to complete the following:
